

# The *Works of Mercy* that

**Apply to Direct Service to**

**the Disadvantaged**

*Notre Dame works with several agencies that provide for the poor and suffering: people who are disadvantaged economically, physically and/or mentally. Notre Dame students must provide **direct service** to individuals through these agencies, unless service is provided at an agency that is approved through a completed proposal form. Verification forms that are submitted with **direct service hours** must include completion of the “Works of Mercy” section. The “Works of Mercy” section must refer to the Corporal and/or Spiritual Works of Mercy listed below. Please see Ms. Corneliussen in the Community Service Center, Room 14, if you have any questions.*
